

BRIGHTER DAYS CARE NEWSLETTER

MAY 2024

WELCOME

I can't believe we are already in May! With the days growing warmer and the evenings lighter, we are reminded that summer is just around the corner, bringing with it the chance to get outside and enjoy watching nature bloom around us.

INTRODUCING LOTTIE

We are delighted to introduce you to our newest four-legged addition to the Brighter Days team, beautiful Lottie who belongs to our Live In Care Manager Zena. Lottie was rescued from a puppy farm and was adopted by Zena a few months ago. Lottie comes to work with Zena and we love having her in the office brightening our day. Zena is hoping for Lottie to be trained as a therapy dog, we will keep you posted on her progress!

Top right: Lottie when she first arrived.

Bottom right: Lottie before and after her first groom. Doesn't she look smart.

BABY NEWS

Congratulations to our carer Hannah on the safe arrival of her baby boy Ralphie. Mum and baby are doing well and Hannah described him as "a delight". We know that many of you have been waiting for this news and join us in sending best wishes to Hannah and her family.

With almost 1 million people living with dementia in the UK and statistics showing that 1 in 3 of us will develop dementia in our lifetime, we are all becoming much more aware of the challenges this condition can present. Perhaps you yourself have had a dementia diagnosis or you know someone who has. Getting the right advice, guidance and support is crucial in making sure you can continue to live well.

Living Well with Dementia is an event that is being held at The Guildhall in Salisbury on Tuesday 21st May between 10am and 5pm - Why not pop along and find out more about local services, groups and activities. Email Musecic@gmail.com for more details.

CHRISTINA IS A CUT ABOVE

There really is no end to our carers' talents. Christina recently dusted off her hairdressing skills and gave one client a long awaited hair cut. We think it looks great, well done Christina.

WHAT OUR CARERS SAY ABOUT THEIR WORK

Our team of professional carers love what they do and it is important to us that they are well supported and happy in their work. We regularly ask our carers how they are and how their day is going. Here are a few of the things they have said...

"Working at Brighter Days Care is more than just a job, it's a family. They care about their staff and their wellbeing. This makes it a special place to work."

"The sense of achievement at the end of shift. I never experienced that with other jobs"

"Great time spent with a lovely client"

"I met a new client today and she really made me smile and have a great rest of day! I had a good day!"

"Every client happy and well today"

HAVING YOUR SAY

We will be sending out our annual client survey very soon, so please keep an eye out for it. This will be a short survey asking about your experience with Brighter Days Care and giving you the opportunity to share your thoughts. Client feedback is really important and helps us make sure we are providing the best service we can.
